SHRI P. N. SUKUL: Last week I went to Lucknow by the Grand Express—a superfast train. I got tiffin in casserole. It was not hot and warm at all. May be it does not fall in the 94.9 per cent category which is mentioned by the Minister. The very next day I came back by the same very train and again it was like that. In the casserole there was no spoon even with which to take it. So, sometimes it is done very carelessly and I hope the Minister will kindly look into the matter and get it improved.

SHRI MADHAVRAO SCINDIA: Obviously this was the exceptional case I referred to earlier.

MR. CHAIRMAN: Let him know that you will look into it.

SHRI MADHAVRAO SCINDIA: In fact, I have already told the hon. Member when he mentioned this to me before my turn came up to answer that I would like him to give me the details of the trains he had travelled and where actually the meal was taken so that we could look into it.

श्री सुरेश पचौरी : सभापति महोदय, खानपान सेवाओं की क्वालिटी और ऐफिशियेंसी से संबंधित यह प्रश्न है जो कि खाद्य पदार्थ और पेय जल में भी जुडा हुआ है। पिछले सालों रेल विभाग में खानपान सेवाओं में पर्याप्त सुधार हुआ है, इसके लिए मंत्री महोदय बधाई के पात्र हैं। सुपर फास्ट ट्रेन्स में एक स्टेशन से दूसरे स्टेशन तक पहुंचने में काफी समय का अंतर होता है और रात को दस बजे और साढ़े दस बजे के बाद कैटरिंग सर्विस वालों से यदि चाय या कोल्ड ड्रिंक्स के लिए कहें तो वह अपनी मजबूरी बताते हैं और चाय आदि नहीं मिल पाती है। क्या मंत्री महोदय इस संबंध में कोई निर्देश जारी करेंगे ताकि इन सेवाओं का लाभ यात्रियों को मिल सके?

MR. CHAIRMAN: Question Hour over.

WRITTEN ANSWERS TO QUESTIONS

Mobile Medical Units for Remote and Inaccessible Areas

*203. SHRI SUBAS MOHANTY:
SHRI AJIT P. K. JOGI:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government have any proposal to introduce mobile medical units for remote and tribal areas in the country;

(b) if so, what are the details thereof; and

(c) if not, what are the reasons therefor and what steps are being taken to provide the satisfactory medical facilities in the remote areas?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) to (c) There is no such proposal under consideration of the Government of India However, keeping in view the difficult geographical conditions of tribal/remote and hilly areas, to provide medical facilities the norms for establishment of Primary Health Centres and Sub-Centres have been relaxed as one Primary Health Centre for 20,000 population and one Sub-Centre for 3,000 population in tribal/hilly and remote areas against 30,000 and 5,000 population respectively in general rural areas. The State Governments have been advised to give priority to tribal/remote areas while locating Primary Health Centre/Sub-Centre.
